(As proof of appointment, CRA may require documentation from Medical Professional)

**You must travel at least 40 KM's away (round trip 80 KM's) to claim the trip as a medical expense. As well you, must travel at least 80 KM's away (round trip 160 KM's) to claim a meal as a medical expense.**

[1] **NOTE:** The number of meals claimed should reflect the meals eaten while traveling and during the time of the medical procdure. For example, an orthodontic trip to Dawson Creek from Tumbler Ridge would be a one day trip. Therefore, you would claim one meal for the patient and their guardian or driver. For a medical trip to Edmonton from Dawson Creek, you may spend more time in Edmonton than the actual medical procedure takes to do shopping or visiting. You would then only claim meals for the one day it takes to drive to Edmonton, the day of the procedure, and the day to drive home at 3 meals per day for each patient and accompanying adult (if required).
